**Read what business leaders have to say about John's workshops & keynotes:**

“John truly understands the importance of getting to know the unique needs and personality of our members. The programs he designs and delivers with us are reflective of his ability to do several things very well: engage and educate in a change-inducing manner, assess and understand the unique needs of each client, design a custom program to meet those needs, and deliver a deep understanding of the content at hand.”

- Emily Fox, Director - Events, Young Presidents' Organization (YPO-WPO)

“World class course level and lectures.”

- Adam Guy, Finance Director, Software Imaging Group Limited, UK

“Exceeded my expectations! Will have practical value!”

- Ruth Gelband DeCastro, Managing Director, SH Formas Andaimes E Escoramentos, Brazil

“John Mullins is one of the most respected speakers in our entrepreneurial network. His innovative sessions and business expertise have proven invaluable to our membership.”

- Christine Spooner, Executive Director, The Indus Entrepreneurs (TiE) – UK

“During my years of working with academic organizations to provide executive education programming for CEOs, I have found no one better to work with than John Mullins. He listens to, embraces and understands the needs of my group; John designs and facilitates practical and relevant content with take-home value for each participant. His entrepreneurial spirit and business experience come together beautifully in each program to provide a valuable experience.”

- Keith Williams, Senior Learning Director, Entrepreneurs' Organization (EO)

“Motivates me to start a business or look for one to buy.”

- Ernesto Butchart Rivera, CEO Invermerica, Mexico

“Great session, great subject, by great teacher. MULLINS IS GREAT!”
